Combat Granola

Ingredients:

Old-fashioned oats, 2 cups

MusclePharm Combat Vanilla whey protein powder, 1 scoop

Flaxseed, 6 tbsp

Cinnamon to taste

Almond butter, 4 tbsp

Coconut oil, 1 tbsp

Honey, 4 tbsp

Vanilla extract, 1 tsp

Dark chocolate chips, 4 tbsp

MusclePharm Chocolate Coconut Combat Crunch bar, 2 bars, cut into small cubes

Directions:

1. Preheat your oven to 325 degrees F.
2. Combine the oats, protein powder, flaxseed, and cinnamon in a bowl.
3. Heat the almond butter, coconut oil, and honey in a saucepan over medium-low heat, and stir it until the almond butter has melted and fully combined with the oil and honey. Stir in the vanilla extract.
4. Remove the saucepan from the heat, and stir in the dry mixture. Use a spatula to thoroughly incorporate the dry ingredients and ensure all oats are covered.
5. Spread the granola on a parchment-lined baking sheet and bake it for 10-12 minutes. Remove it from the oven, stir, and bake for another 10-12 minutes.
6. Top the granola with chocolate chips and protein-bar chunks. Stir once more, and let it cool for 15 minutes. Store the granola in an airtight container in the fridge for up to two weeks.
