Ingredients

- 3/4 cup chocolate whey protein powder
- 3/8 cup cocoa powder
- 2-1/2 tbsp coconut oil
- 2 tbsp granulated Stevia
- 4 tbsp milk
- 4 tbsp ground almond

Directions

1. Mix all ingredients together.
2. Shape dough into 12 truffles. If it's too sticky to handle, add a bit more cocoa powder to the mix. Taste your batter to ensure it's sweet enough; add a bit more sweetener if needed.
3. Let truffles set for a few hours or overnight in the fridge.
