

Watermelon Cooler

Ingredients

Cellucor Alpha Amino watermelon 1 scoop

Watermelon 3-4 small cubes

Cucumber 3-4 slices

Basil leaf 1

Soda water 4 oz.

Water 6 oz.

Directions

1. Add all ingredients to glass, shaker, or jug in the following order: water, amino acids, watermelon, cucumber, basil leaf, soda water, and ice.
2. Garnish with additional cucumber as desired, and enjoy!
